ASSISTANCE

About BHS

At BHS, we're in the business of bettering lives, so employees can bring their best selves to work. BHS' wide range of services raises productivity, opportunity, happiness and success for individuals and organizations.

Support Services

A Care Coordinator will confidentially assess the problem, assist with any emergencies and connect you to the appropriate resources. This may include long-term support or the need for further assessment. The Care Coordinator then becomes your personal point of contact and will keep in touch to ensure you achieve your desired outcomes.

Up to **Six FREE** counseling sessions per issue. If a matter requires longer treatment, the employee would be referred to a long-term treatment provider.*

Unlimited 24-hour access via a dedicated toll-free phone number 7 days a week, 365 days a year.
