POLICY

It is the policy of the Baltimore Police Department (BPD) to protect and, when necessary, relocate crime victims and witnesses.

PURPOSE

The purpose of this policy is to establish procedures to identify, protect, and relocate at-risk individuals who may testify in criminal proceedings (e.g., victims and witnesses) and to establish a coordinated Witness Assistance Program (WAP).

GENERAL

1. The practice of victim/witness intimidation creates an atmosphere of fear and non-cooperation within the community, and reduces the public's confidence in the criminal justice system's ability to protect them.

2. Recognizing that witness intimidation is a threat to public safety, the City of Baltimore has appropriated funds for the exclusive purpose of ensuring the safety of witnesses to criminal activity that may be called by the State to testify at a criminal trial in Baltimore City.

3. Witness intimidation calls for service shall be dispatched via landline. Under no circumstances shall the nature of the call be broadcast over the police radios.

NOTE: The address of the relocation shall be held in the strictest of confidence, and shall not appear in any reporting. The address of the relocation is to be disseminated on a “need to know” basis.

4. During regular business hours all requests for Emergency Housing Relocation shall be directed to the Witness Relocation Unit at: (410) 396-5584 or (410) 361-9854. If no detective is on hand to answer the phones, call the Communications Unit and a detective will be notified. After regular business hours the Communications Unit will be notified to contact the duty detective.
DEFINITIONS

Witness Intimidation — A term referring to the illegal practice of threatening victims/witnesses in order to pressure or extort them not to testify or to change their testimony. Witness intimidation includes physically harming another, threatening to harm another, and destroying property with the intent of retaliating against victims and witnesses. Witness intimidation can occur at any stage of a case (i.e., immediately following a crime; during the investigation; at the time charges are filed and the periods before, during and after trial).

Housing Relocation — Temporary housing for individuals, particularly victims, witnesses and their families, who have been threatened, intimidated or harassed because of their involvement in the community and/or a criminal case.

Witness Assistance Unit — The Office of the State’s Attorney for Baltimore City, assumes primary responsibility for relocating victims and witnesses who have been threatened, intimidated or harassed because of their importance to the successful prosecution of a criminal case.

Ombudsman’s Office — The Baltimore City Department of Housing and Community Development is a community service provider whose responsibilities include helping individuals and families displaced by housing and weather-related emergencies, evacuating buildings in the case of an emergency, and relocating residents in harm’s way.

Witness Relocation Liaison — The Commanding Officer, Witness Relocation Unit, shall act as the BPD liaison with the Ombudsman’s Office, Baltimore City Department of Housing and Community Development, and the Witness Assistance Unit/Office of the State’s Attorney for Baltimore City.
